The 1956 Bruins

RETURNING VETERANS—A total of 19 returning lettermen: 3 ends, 2 tackles, 4 guards, 2 center, 3 quarterbacks, 2 left halfbacks, 2 at wingback and 1 at fullback. The only two starters from the 1955 PCC championship team are blocking back Bob Bergdahl and fullback Bruce Ballard, who alternated with Bergdahl at quarter.

LOSSES—15 veterans, including the entire first string line, regular tailback, wingback and fullback: 3 ends, 4 tackles, 3 guards, 1 center, 1 left half, 1 right half, 2 fullbacks. Key losses are All-Americans Hardie Cureton, guard; Rommie Loudd, end; Bob Davenport, fullback; and Jim Brown, guard. Others missing are ends Johnny Hermann and Johnny Smith, tackles Gil Moreno and Roger White, center Steve Palmer, tailback Sam Brown, a great one-two fullback combine in Davenport and Doug Peters and wingback "great" Jim Decker.

PROMISING SOPHOMORES—Best from the undefeated 1955 frosh team are tailback Don Long, guard Clint Whitfield, center Dennis Dressel and tackle Bill Leeka, any one of whom could be outstanding future stars.

NEWCOMERS AND TRANSFERS—Dave Smith, 220, tackle from Valley JC; Jim Steffen, 185, end from Occidental College via Santa Ana JC; and Kirk Wilson, 205, end from Santa Monica City College. All will have to hustle to make the squad.

OFFENSE—The balanced-line single wing attack, of which there are only two others like it in the country. The attack is a well-balanced power offense employing many optional run-pass plays. In 1955 the Bruins scored 43 touchdowns, 28 by running plays, 13 on forward passes, 2 on punt returns. UCLA again was one of the nation's highest scoring and also best defensive teams, scoring 299 points and holding 11 opponents to 74. The 1956 offense will be augmented by a new Sanders spread formation which has not been seen before by West Coast fans. Designed to utilize the promising passing abilities of the Bruin tailbacks, topped by the outstanding Ronnie Knox, this formation could be one of the most spectacular in the country. Lacking the heft and rugged ball-carrying abilities of recent UCLA teams, this year's outfit, along with the throwing of Knox, two-year vet Doug Bradley, Ed Griffin and Don Long, will have to rely on the backfield speed of the likes of wingback Chuck Hollaway and fullbacks Bruce Ballard and Barry Billington. Quarterback Don Shinnick and wingback Gerry McDougall will carry the load in the size department of the backfield. Ends, led by Pete O'Garro, Tom Adams and Hal Smith, should be fine targets for Sanders' aerial artists.

PASSING—Knox completed 36 out of 63 for 526 yards and six touchdowns last year. Bradley got 14 for 23 for

The 1956 Bruins

(Continued)

166 yards and four scores. Knox could be the greatest in the country while Bradley, Griffin and Long could do a great job on any given day. Hollaway, O'Garro, Ballard and Adams topped the '55 receiving list with 35 receptions between them for 409 yards and five scores.

PUNTING—Knox is equally sound in this part of the game. He punted 23 times for a 40.96-yard average last fall. Bradley and Long are the best of the others. This is always one of the sound departments of Sanders coached teams.

THE OUTLOOK—Red Sanders says, "Losing virtually an entire team is never easy. It's especially difficult when you lose men of the caliber of Jim Decker, Jim Brown, Bob Davenport, Gil Moreno, Hardiman Cureton, Sam Brown, Rommie Loudd and Steve Palmer. We'll have to be ready early, too, for our intersectional meetings with Utah and Michigan. Because of the type of personnel we have this fall, we will have to take more calculated risks in our attack. Nevertheless, we expect this team to show the same spirit and determination its predecessors have displayed."

Single Wing Master

HENRY R. "RED" SANDERS
HEAD UCLA FOOTBALL COACH

THE country's outstanding single wing coach, Henry Russell "Red" Sanders goes into his eighth season as headman at UCLA. His seven-year Bruin record has been one of the finest in the nation. He's won 51 games, lost only 14 and tied one for an impressive .78 winning percentage.

Red has captured three straight PCC grid titles (1955-54-53), a feat never before equalled at UCLA, and finished second three times (1952-51-49) and third once (1950). In the last three championship seasons, he's won 26 games and lost only four (Stanford, 20-21, 1953; Michigan State, 20-28, 1954 Rose Bowl; Maryland, 0-7, 1955; and Michigan State, 14-17, 1956 Rose Bowl) for a fabulous .87 winning percentage.

His 1954 Bruins are the first and only undefeated and untied team in UCLA's 37 years (1919-55) of football history. This team was voted America's No. 1 team by the United Press and also was the recipient of Look Magazine's first Grantland Rice Memorial Trophy as the 1954 National Collegiate Champions selected by the Football Writers Association of America.

This is Sanders' 28th year in the coaching profession, 14 as a successful prep and assistant collegiate coach, six as headman at Vanderbilt and now entering his eighth campaign at UCLA. Only one coach has now coached longer at UCLA than Red. That would be Bill Spaulding, who brought the Bruins out of nowhere into the pigskin picture during his 14-year stay (1925-38).

Red has won many deserving honors, but the most important, of course, was his selection in 1954 as the "Coach-of-the-Year" selected by the American Football Coaches Association. He's also the only coach ever to be named "Football Coach of the Year" two years in a row (1953-54) at the Los Angeles Times National Sports Award Dinner. Another of Red's most distinctive honors came when he was voted "Los Angeles' Outstanding Citizen of 1950" in a poll conducted by the Los Angeles Mirror.

He gained further national recognition on the coaching staffs at the 1946 Blue-Gray game at Montgomery, Ala.; the 1951 East-West Shrine game at San Francisco; the 1952 College All-Star game at Chicago; and the 1952 North-South Shrine game at Miami, Fla. He has been named head coach of the 1956 West team for the East-West Shrine game. Sanders has also served as the president of the PCC Football Coaches Association and is a trustee and vice-president of the American Football Coaches Association.

Sanders lived and coached all his life in the South before coming to UCLA in 1949. Born in Asheville, N. C., on March 7, 1905, he moved to Nashville, Tenn., when he was two. He attended Davidson County

Central Hi in Nashville and later graduated from Riverside Military Academy, Gainesville, Ga., in 1923.

Entering Vanderbilt in 1923, Sanders lettered four years each in baseball, football and basketball. He was Vandy's baseball captain in 1927. He played quarterback at the same time All-American Bill Spears performed at Vandy. The late Dan McGugin, his coach, remarked that "Sanders has one of the best football brains I have ever known."

Incidentally, "Red" is a nickname tacked on him in childhood by an uncle and has nothing to do with the color of his hair, which is iron-grey.

Red's first coaching job was as backfield aide at Clemson in 1927. He also played pro baseball for three years following graduation from Vanderbilt. He then moved to Columbia (Tenn.) Military Academy as head coach in 1931, then to his prep Alma Mater, Riverside, in '34. During his eight-year career at these two schools, he compiled one of the finest prep records in Southern history, winning 55 games, losing only four and tying two. In 1938 he was freshman coach at Florida and next backfield tutor at LSU. Vanderbilt paged him in 1940. There against top competition, Sanders six-year record (1940-41-42-46-47-48) was 36 wins, 22 defeats and two ties.

Sanders, who brought to the West Coast such outstanding grid tactics as the balanced-line single wing, has always coached the single wing. He also originated the now famous 4-4 defense, copied by college and pro mentors alike all over the nation; developed the "squib kick" as substitution for the out-of-bounds punt; and exploited and popularized the now almost universally used spread punt formation.

The Sanders attack features plenty of passing and running power and also occasional short punt formation.

Red served as a Navy Commander in World War II. He is married to the former Ann Daniel, of Lakeland, Fla., an alumnae of Florida State University and holder of a masters degree from the University of North Carolina.

The Staff

JAMES A. "JIM" MYERS— (Tennessee '47)
Senior Assistant

Myers is Sanders' oldest aide in point of service. One of the country's top line coaches, this will be his ninth season with Sanders, one at Vanderbilt (1948) and now in his eighth at UCLA.

Born in Madison, W. Va., the 34-year-old Myers starred in prep football there before entering Tennessee in 1940. After a year of frosh ball and two varsity seasons there, he joined the Marines in 1943 and was discharged in '46 with the rank of Captain. As a Marine trainee at Duke in 1943, he played football and was named All-Southern Conference guard. He returned to Tennessee in '46 and completed his grid career, graduating in '47.

His first coaching job was at Wofford College in Spartanburg, S. C., in '47. He's married to the former Carolyn Agee, a pretty Tennessee coed at the same time Jim was starring for the Vols. They have three daughters, Susan, 10; Katherine, 7; and Carol, 6.

WILLIAM F. "BILL" BARNES—(Tennessee '41)
Assistant

This will be Barnes' seventh year on the UCLA staff. Before coming to the Bruins in 1950, he spent four years (1946-49) at University of Arkansas as end coach and scout. He's done an outstanding job with the ends and also scouted at UCLA.

Bill prepped at Central Memphis, Tenn., High where he was picked on the 1935 All-Southern High School All-Star team. He then entered Tennessee where he starred as a wingback (1937), a blocking back on the 1938 Vol team which beat Oklahoma in the Orange

Bowl and an end on the 1939 Vol team which lost to SC in the Rose Bowl. Bill served as an assistant coach and scout at Tennessee in 1940 before graduating the next year.

Bill served in the Army (1942-46) and was discharged with the rank of Major. He then signed with Arkansas. The 38-year-old Barnes is wed to the former Frances Tow, whom he met while coaching at Arkansas.

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Assistant

Like Barnes, Brackett came to UCLA in 1950 from Arkansas where he was backfield coach and head baseball mentor for four years (1946-49). Deke has done a standout job working with the Bruin backs.

After prepping at Knoxville, Tenn., High, he entered Tennessee in 1930 and won honorable mention on Grantland Rice's 1931-32-33 All-America teams as a quarterback. The 1931-32 Vol teams were undefeated He graduated in 1934 after serving as student body president during his senior year. Deke then served as an assistant coach at his alma mater before moving on to The Citadel in Charleston, S. C., for two years (1937-38) as an assistant coach and head baseball coach, followed by two years in the same capacity at Hampden Sydney College, Va. The years 1942-45 found him in the Navy, from which he was discharged as a Lt. Commander.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 15, and Sallye, 8.

GEORGE W. DICKERSON—(UCLA '37)
Assistant

This is Dickerson's seventh year on the varsity staff. He's worked with Myers in molding strong Bruin lines. In addition, George is also a top scout.

After prepping at Fairfax High in Los Angeles, George entered UCLA in 1933 and was a great tackle for three seasons (1934-36), being elected captain in his senior year. Following graduation in 1937, he coached a year at Arroyo Grande High in Northern California, followed by four years at Tracy, Calif., Union High. He then joined the Navy in 1942 and served for nearly four years, being discharged in 1946 with the rank of Lieutenant. George then returned to UCLA as head frosh football coach in 1946 and held that position for four years until he was elevated by Sanders to his present varsity post.

The 43-year-old Dickerson is married to a former UCLA coed, Betty Axline, class of '36, and they have one son, George, Jr., 12.

RAYMOND R. "RAY" NAGEL—(UCLA '50)
Assistant

This will be Nagel's second year as a varsity aide working with the backs, following his return to his alma mater from Oklahoma where he served as backfield coach in 1954. In 1953, he was a player and coach for the Chicago Cardinals of the National Football League. Prior to that he was a Bruin varsity assistant in 1951-52 and a student assistant frosh coach while attending the UCLA Law School in 1950. And so the 29-year-old Nagel is one of the most experienced young coaches in the business.

After making All-City at Los Angeles High in 1944, he entered UCLA and starred as a T-quarterback for three seasons (1946-48) before becoming a fine tailback during Sanders' first year here in 1949. He's rated one of the Bruins' all-time greatest passers. He gave up his law studies in 1951 to join Sanders' staff.

Ray is wed to the former Shirley Ann Tanner and they have three children, Nancy 6; Bruce, 4; and Ray, Jr., 1.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Freshman Coach

Johnson goes into his seventh season as head frosh coach. Back in 1949 he served as frosh backfield coach and then, the following year, succeeded Dickerson as yearling headman when Dickerson moved up to the varsity staff. His 1955 frosh team was the first undefeated and untied Brubabe eleven in history.

After prepping at Bakersfield, Calif., High in 1936-38 where he won All-San Joaquin Valley recognition as a back, he came to UCLA and captained the 1939 frosh team. He then missed a year of competition and returned as a Bruin fullback in 1941. From 1942-46 Johnny was in the service. He was discharged as a Lieutenant in the Naval Air Corps. He returned to his alma mater in 1946 and played on the PCC championship team as a fullback.

The 35-year-old Johnson is the only bachelor on the Bruin football staff.

UCLA all-time record against Utah: W-1, L-0, T-0

Widest margin of victory for UCLA: 22 points (22-0 in 1933)

Facing one of his toughest schedules, personable Jack Curtice must come up with one of his better teams—and he figures to—topped off by 24 lettermen. Included are 210-pound Larry Fields, who carried the ball from fullback 71 times for 305 net yards and 4.3 average last fall, also George Boss, 6-3, 210-pound All-Conference end, who snagged 11 passes. The center of the Ute line may be one of the best in the West with size, speed and experience two deep, led by 6-3, 205 Center Roger Butler, 1955 regular. Reports from spring drills indicate the Redskins have the best running backs in their league.

UNIVERSITY OF MICHIGAN (Game at Michigan Stadium, Ann Arbor, Mich., Saturday, Sept. 29, 1:30 p.m.. EST)

Location: Ann Arbor, Mich.
Conference: Western Intercollegiate (Big Ten)
Enrollment: 23,914
Colors: Maize and Blue

Head Coach: Bennie G. Oosterbaan
Sports News Director: Les Etter
1955 Record: Won 7, Lost 2
Returning Lettermen—18

Coming up to its "big year," Michigan will be rightfully favored to win the Big Ten championship with experienced personnel two-deep. All-American End Ron Kramer, possibly the greatest all-round athlete in America, moves to wingback this fall; vets Jim Maddock and Jim VanPelt return at quarterback; Jim Byers and John Herrnstein, fullback; and Terry Barr and Jim Pace again will alternate at left half. The line, anchored by end and Captain Tom Maentz, may be the best in the country with size, speed and experience. The Wolverines may be the toughest early-season team UCLA has ever faced.

Head Coach: Len Casanova
Sports News Director: Art Litchman
1955 Record: Won 6, Lost 4

UCLA all-time record against Oregon: W-15, L-10, T-0

Widest margin of victory for UCLA: 41 points (41-0 in 1951 and 1954)

Widest margin of victory for Oregon: 27 points (27-0 in 1929)

Oregon's strength lies in its fine backfield speed, a capable set of ends and guards and better team depth than a year ago. Jim Shanley, the 170-pounder who gained 711 yards in 100 carries to lead the PCC in average yard production, is a hot returnee. He gained more yards than any soph in conference history. Another junior, Jack Morris, at fullback, is typical of the Webfoot backfield in that he is a 9.7 sprinter in addition to having good up-the-middle power. Tom Crabtree at quarter and another half dozen good runners make Coach Len Casanova's situation here pretty ideal. In the line Capt. Phil McHugh at right end and Spike Hillstrom at right guard return from honorable mention on the PCC squad and the Ducks have all but one lettermen returning at these two posts.

of California and University of Washington. Built around veteran halfbacks Rey Alvarado and Bill Steiger, the Cougar attack will show just about every type of imaginative Sutherland T-formation, replete with all kinds of flankers and men-in-motion. The end situation, with Don Gest, Lew Turner and Norm Veach carrying most of the load, warrant optimism in a bright passing attack to go with the spectacular Sutherland running game.

UNIVERSITY OF CALIFORNIA (Game at California Memorial Stadium, Berkeley, Saturday, Oct. 20, 2 p.m.)

Sports News Director: Bob Rubin
1955 Record: Won 2, Lost 7, Tied 1

UCLA all-time record against California: W-11, L-14, T-1

Widest margin of victory for UCLA: 47 points (47-0 in 1955)

Widest margin of victory for California: 35 points (35-0 in 1950)

The 1956 Bears will be considerably improved than the 1955 squad. There will be better speed in the backfield with return of fullback Jerry Drew, who averaged nine yards per carry in 1954. Passing will be improved with Joe Kapp, from the frosh; Joe Contestabile, injured most of last year; and varsity returnee Gus Gianulias carrying the load. The line looks faster but may lack depth. Ends look outstanding—Ron Wheatcroft, a madeover tackle and All-American candidate, and Roger Ramseier. Johnny Stewart is the main halfback returnee. Along with Ramseier, 240-pound vet guard Don Gilkey is All-Coast potenial. This is the 10th season at Cal for Waldorf.

Widest margin of victory for UCLA: 61 points (61-0 in 1954)

Widest margin of victory for OSC: 28 points (28-0 in 1948)

The Beavers should be considerably improved over the team which finished second in the Pacific Coast Conference race last year. In particular, the line should be better with more depth. All-American Tackle John Witte returns and should be the best in the West. Coach Tom Prothro says he wouldn't trade him for any in the country. In Tailback Joe Francis and Wingback Sam Wesley, both juniors, OSC has the speed and ball-carrying ability. Bob DeGrant, another junior, will be one of the better ends in the league. Northwest fans think that this team will have the makings of a championship contender in 1957 and possibly this fall.

Widest margin of victory for UCLA: 72 points (72-0 in 1954)

Widest margin of victory for Stanford: 82 points (82-0 in 1925)

Very much of an in-and-out team last season, Stanford could come to life as the PCC's Rose Bowl participant in '56. Sparked by a great T-quarterback in big John Brodie, the Indians plan their usual big throwing game in their pennant drive. Brodie completed 76 out of 133 passes for 1,024 yards and five touchdowns last fall. Also returning are three of Coach Chuck Taylor's top four receivers—Halfback Paul Camera, and ends Gary van Galder, Jerry Beatie and Carl Isaacs, who snagged a grand total of 68 passes for 857 yards and seven TD's. Other outstanding regulars from the 1955 team returning are 228-pound Tackle Paul Wiggin, Guard Donn Carswell and Fullback Lou Valli to give the Indians the best nucleus on the Coast to start with. This is the team Stanford fans have been looking forward to.

Widest margin of victory for UCLA: 27 points (34-7 in 1947)

Widest margin of victory for Washington: 41 points (41-0 in 1940)

The Huskies, with most of their 1955 lettermen strength back, become the lone team in the Pacific Coast Conference to become a pure Split-T football team. They flashed a lot of potential last fall that could blossom this year under the impetus of their new coach, Darrell Royal, who learned the system under Jim Tatum and Bud Wilkinson. Al Ferguson, a fine passer, or Luther Carr, a strong runner, will handle the Split-T quarterback chores. Other backfield areas show a wealth of fine runnners, topped by incredible Credell Green, who ran up 652 yards last fall. Other returning stars include Halfback Dean Derby, Guard Ed Sheron and two possible "greats" in End Corky Lewis and 230-pound Tackle George Strugar. Moving 245-pound Center Dick Day to right tackle may give Washington great strength here. All in all, look for Royal's first team to be a strong possibility as a "surpriser."

Coach Chuck Mather's third Kansas football product will be his best so far. With letterman Wally Strauch returning at quarterback and the top four ends returning to action, look for good results in the passing department. Strauch completed 28 out of 76 passes for 498 yards and three touchdowns to rate second in the Big Seven last fall. Top running back is letterman John Francisco, who rushed for 459 yards and top spot among the Jayhawkers in '55. Along with ends, the center and tackle positions appear best in the line. Captain Galen Wahlmeier is one of the best at the pivot post. Overall, this team may carry Kansas well along the road to gridiron recovery.

UNIVERSITY OF SOUTHERN CALIFORNIA (Game at Los Angeles Coliseum, Saturday, Nov. 24, 1:30 p.m.)

Location: Los Angeles, Calif.
Conference: Pacific Coast
Enrollment: 18,000
Colors: Cardinal and Gold
Nickname: Trojans
University President: Dr. Fred D. Fagg, Jr.
Athletic Director: Willis O. "Bill" Hunter
Head Coach: Jess Hill
Sports News Director: Don Richman
1955 Record: Won 6, Lost 4
Returning Lettermen—21

UCLA all-time record against USC: W-7, L-14, T-4

Widest margin of victory for UCLA: 39 points (39-0 in 1950)

Widest margin of victory for USC: 76 points (76-0 in 1929)

Facing the 1956 season, his last before succeeding Athletic Director Willis O. Hunter who will retire in 1957, Jess Hill has 20 lettermen, 15 from last year's squad, around whom he must build the Trojans' 1956 football team. SC, operating from Hill's flashy multiple offense, figures to field a team which is potentially somewhat stronger than last season's club. The potential to be developed is up front, where the Trojans suffered their heaviest losses. All-American left half Jon Arnett and his fullback running mate, C. R. Roberts, should give the Trojans the top 1-2 backfield punch in the nation. Don Hickman, a fine running right half, and Ellis Kissinger has a slight edge over veteran Frank Hall at quarterback in the likely starting backfield. Other standotu backs include 1955 reserves Ernie Zampese and Doug Kranz and Jim Decker, the latter returns after being injured two years ago. Plus promising soph backs Rex Johnston and Tony Ortega. Church Leimbach (6-4, 193) is the only letterman end. SC has depth at tackle with likely starters Dick Enright (220) and Ron Fletcher (215) being pushed by three other vets, Fabian Abram, George Belotti and Hank Schmidt. JC transfer Dave Main is rated a top tackle prospect. Troy is hard hit at guard, with Laird Willott (205) and 31-year-old Ben Lardizabal (210) looming as starters. Karl Rubke (6-4, 225) is the big hope at center. Lack of experienced depth in the line is SC's major problem.

Note: A "rule of thumb" in placing of certain men on defense is as follows—tackles are always reversed on defense; centers and quarterbacks (blocking backs) are always linebackers on defense; fullbacks and right halfbacks are always defensive halfbacks and left halfbacks (tailbacks) are always safety men on defense.

RIGHT END (ALSO RIGHT END ON DEFENSE)

THOMAS (TOM) ADAMS—Senior; one-year letterman; played 180 minutes last year. In first year at UCLA showed tremendous possibilities spelling All-American Rommie Loudd. Was a future draft of Chicago Bears last year. Has size, good speed and can go both ways. A Bruin to watch! Caught 7 passes for 84 yards last season. Played two years of service football at Fort Lewis, Wash., 1953-54. All-Eastern Conference end at Riverside JC in 1951 under Coach Nate DeFrancisco, ex-Bruin star. QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

LEONARD ROBERT (BOB) BERGDAHL—Senior; two-year letterman; played 313 minutes last year, most of any junior on the team, as alternate first stringer with Bruce Ballard. Honorable mention on AP's All-PCC team. As blocking back, didn't carry the ball; but intercepted two passes for 72 yards return, caught one pass for seven and took two kickoffs for 25. Three-

year rugby letterman. A steady, heady performer, the son of Lenny Bergdahl, star UCLA quarterback in 1930-31-32. All-league halfback at Fairfax Hi in 1952 under Coach Frank Shaffer. Also lettered in track (shot put) at Fairfax. Physical Education major.

ROBERT RANDALL (BOB) ENGER—Junior; one-year letterman; played 110 minutes last year. Like other Bruin quarterbacks, does not carry the ball, but is a potential pass-receiver. Figured in 1955 statistics by catching one pass for five yards and intercepting one for a 12-yard return. Has shown definite improvement. Lettered in football at Mark Keppel Hi in Alhambra under Coach John Seixas. Physical Education major. Phi Kappa Psi fraternity.

DAVE JEROME PETERSON — Sophomore; performed on red shirtsquad last year and did not compete in a varsity game. Is twin brother of Dan Peterson, a center. Has plenty of scrap, but lacks heft. Was first string guard on 1954 Brubabe team. One-year rugby letterman. All-Bay League guard at Santa Monica Hi in 1953 under Coach Bob Stillwell. Physical Education major.

DONALD DEE (DON) SHINNICK — Senior; two-year letterman; a converted fullback, played 183½ minutes as right guard last year. Was switched to blocking back in spring practice and showed up very well. May be outstanding linebacker. Look for him to push Bergdahl for top spot. On-year rugby letterman. All-City back at San Pedro Hi in 1952 under Coach Jim Santschi; attended Valley JC one semester. Physical Education major. Delta Sigma fraternity.

LEFT HALFBACK OR TAILBACK (SAFETY ON DEFENSE)

DOUGLAS WALLACE (DOUG) BRADLEY—Senior; two-year letterman; played 81½ minutes last year. Rated a clever, coureagous performer though a little short on size and speed. Handicapped by early-season injuries last fall. Carried the ball 14 times but wound up with a minus 23 yards rushing. A sure thrower, however, he completed 14 out of 23 passes for .610 per cent, 166 yards and four touchdowns. Also got into the punt and kickoff return and pass interception statistics. As a soph in 1954, he gained 89 yards and carries for a 2.8 average and three touchdowns; completed 20 out of 31 passes for 229 yards and two TD's. Also converted nine out of 13 PAT's and got into punting, punt and kickoff return and interception statistics. Never count him out of any ball game. Two-time All-City second team back at Fremont Hi first in 1950 under Coach Harry Edelson and again in 1952 under Coach Chip Armstrong. Physical Education major. Married to the former Sallie Jo Carlson.

EDISON PAUL (ED) GRIFFIN—Junior; two-year squadman; played only one-half minute of varsity

competition last fall. Has shown definite promise, especially as a passer. Is steady and poised. May surprise this fall. All-Conference back at West Costa JC (Richmond) in 1953. All-Northern California back under Coach Fred Moffett at Berkeley Hi in 1952. Physical Education major.

RONALD (RONNIE) KNOX—Senior; one-year letterman; played 203½ minutes last fall though he suffered from both a shoulder injury and broken ankle. Has missed most of two spring practices, in 1955 with a broken finger and this year with a cut hand. Co-recipient with Center Jim Matheny of UCLA's "Rookie-of-the-Year" award. This lifetime T-formation quarterback, a truly fine all-round athlete, converted to a single wing tailback in great style last fall. His running progressed very well, indicating that here could be the greatest all-purpose back in UCLA history. Is also a truly great passer, possibly the best in the country; outstanding punter; and also a sound and rugged defense safety. This young man should be All-American in 1956. Named on INS All-Coast and AP's All-PCC second team. Also earned AP and UP All-America honorable mention. Led team in passing with 36 completions out of 63 attempts for .572 attempts, 526 yards and six TD's. Carried the ball 46 times for 176 yards, a 3.83 average and four more scores. Punted 23 times for a 40.96 average to rank seventh in the nation. Returned eight punts for a 5.9 average, one kickoff for 12 yards and one pass interception for five. Make no mistake about Knox; barring injury, he is a great football player. Transferred from the University of California at Berkeley after playing freshman football there in 1953. Voted Southern California's "Prep Player of the Year" in 1952 as he set record of 27 TD passes at Santa Monica Hi under Coach Jim Sutherland, now new head coach at Washington State. Named on 1952 All-America high school team. Voted the "most outstanding player" in both the annual North-South Shrine All-Star High School game at Los Angeles and the All-America High School Classic at Memphis, Tenn., both held during the summer of '53. Sister Pat Knox is an actress. Theater Arts Major.

STUART LEE (STU) FARBER—Junior; a returnee from Army service. A three-year letterman at Long Beach Poly Hi under Coach Maxson (Red) Montgomery. Transferred to UCLA from Long Beach City College, where he competed two years. Physical Education major. Phi Kappa Psi fraternity.

DONALD JOSEPH (DON) LONG—Sophomore; frosh numeral winner as starting tailback last fall on the undefeated Brubabe team; played 120½ minutes in three frosh games, fourth highest on team; recipient of the Charles Pike Memorial Trophy as the 1955 honorary frosh football captain. In the three frosh victories Long fired six TD passes and gained a total of 552 yards. On the ground he rushed for nearly 300 yards and made three more scores. Frosh Coach

Jimmy Johnson termed him "the finest freshman passer we've ever had at UCLA." An exceptional student, Long won the DAR Award as the outstanding man in his Naval ROTC class this spring. Tab this young man as a future "great." Won second team All-CIF honors under Coach John Marrow at Beverly Hills Hi in 1954. Spanish major. Beta Theta Pi fraternity.

RIGHT HALFBACK OR WINGBACK (LEFT HALF ON DEFENSE)

DON DIEN DUNCAN—Sophomore; a one-year squadman who started to show up well in spring practice. A hard-running ball-carrier, Duncan may be of help. Won All-CIF back honors in 1953 at Alhambra Hi under Coach Ed Sowers. One-year rugby letterman. Physical Education major. Delta Tau Delta fraternity.

CHARLES R. (CHUCK) HOLLAWAY—Senior; one-year letterman; played 190 minutes last year. A speedster who is a two-year track letterman in the broad jump (24 ft., 1 in.) and low hurdles (23.4), Hollaway can be dangerous both as a reverse runner and pass-receiver. Needs only to become more consistent to be outstanding. Carried the ball 24 times for 115 yards, a 4.79 average and one touchdown last fall, also was the leading pass-catcher with 10 completions for 184 yards and three scores. Also returned nine punts for a 7.8 average and intercepted one pass for an 11-yard return. Entered UCLA in 1952 but did not compete before going into the Army. Starred in both football and track for Ft. Ord for two years before returning to UCLA last year. Won All-City honors at Detroit, Mich., Northern Hi under Coach Eddie Powers. Also starred at Fullerton Jc for two seasons in football, track and basketball. Physical Education major.

GERALD GORDON (GERRY) McDOUGALL—Senior; two-year letterman; played 78 minutes as tailback last year and was switched to wingback in spring practice. Showed definite improvement at his new position last spring and could give Bruins a big lift here with a come-through performance. Carried the ball 27 times for 115 yards, a 4.26 average and two TD's; completed seven out of 16 passes for 156 yards and two scores. Punted 11 times for a 35.45 average; returned one kickoff for 20 yards and returned one pass interception for 16. In 1954 he carried the ball 43 times for 226 yards, a 5.26 average and four TD's; completed six passes out of 13 for 38 yards and two TD's. He punted twice for 45 yards; returned one kickoff for 29. Was All-Southern California JC first team member at Long Beach City College in 1954; won all-Southern California CIF honors at Long Beach Poly Hi under Coach Cal Rossi, former UCLA great, in 1952. Also lettered in track in high school. Geology major. Two-year rugby letterman.

PHILIP LEO (PHIL) PARSLOW—Sophomore; one-year squadman. Showed improvement in spring drills. Lettered in both football and track at both El Cerrito Hi in El Cerrito and at Mt. Diablo Hi in Concord, Calif. Physical Education major. Phi Delta Theta fraternity.

FULLBACK
(RIGHT HALF ON DEFENSE)

BRUCE McNEIL BALLARD—Senior; two-year letterman; played 262½ minutes last year, sharing starting honors with Bob Bergdahl. Also was switched to help out at fullback late in the season. Made the big move to full in spring practice and showed fine running ability. Could be the first fullback at UCLA in several years who is a threat to "go all the way." Carried the ball twice for six yards and one TD last year and caught eight passes for 75 yards and one more score. Also returned one punt for 10. As wingback in '54 he carried the ball 18 times for 122 yards, a 6.8 average and one TD; caught two passes for 36 yards and one score and returned one kickoff for 17. He led the '54 Bruins with four pass interceptions for 60 yards in returns. He has now made the complete circuit of duties in the UCLA backfield. He started as a freshman tailback, was a wingback as a sophomore, blocking back last fall and now fullback—a real tribute to a fine performer who wants to play where he is most needed by his team. Lettered in track, basketball and football at Monrovia-Duarte Hi. His prep grid coach was Dink Walker. An outstanding Pre-Medical student. Delta Sigma Phi fraternity.

BARRY JAY BILLINGTON—Sophomore; one-year squadman. Was starting fullback on the 1954 frosh team. A strong, quick ball-carrier although on the small side, Billington impressed with his fine drive and determination in spring practice. Named the outstanding performer in winning 1956 Coast collegiate 167-pound wrestling title. Will be a definite help this fall. Won second team All-CIF honors at Inglewood Hi in 1953 under Coach Martin Ernaga. Business Administration major. Phi Delta Theta fraternity.

LOUIS NICHOLAS (LOU) ELIAS—Junior; one-year squadman; played 39½ minutes of varsity ball last fall as wingback. Carried the ball five times for six yards and a 1.2 average. Also caught two passes for 14 yards; caught one punt for no return. Played tailback at John Burroughs Hi, Burbank, under Coach Elvin Hutchinson. Transferred to UCLA from Valley JC in 1954. Two-year rugby letterman. Physical Education major. Phi Gamma Delta fraternity.

BERT LOUIS FRESCURA—Sophomore; one-year squadman. Two-year rugby letterman. Showed improvement in spring drills. Competed in football at Burbank Hi under Coach Maury Wiley. Engineering major.

JOHN E. (PERRY) PIEROVICH—Sophomore; freshman numeral winner last fall at fullback, played 93½ minutes on the undefeated Brubabe team. Does not have great size but may come along well. Won four football letters at Jackson, Calif., Hi under Coach Brooks Golden. Physics major. Beta Theta Pi fraternity.

History of UCLA

MOST American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California at Los Angeles (UCLA for short), is only 36 years old. Its 400-acre campus, set against the Santa Monica Mountains with the blue Pacific in the background, is even newer.

What in 1928 was a lonely bean field dotted with live oaks and sycamore, is now a busy center of study and research, extra-curricular student activities and bustling construction.

Despite the high entrance requirements, its enrollment has mushroomed to more than 15,000 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the eight campuses of the state university, which is headed by President Robert Gordon Sproul.

Raymond B. Allen, is Chancellor at UCLA. He heads a faculty of 1500 and a staff of 2,500.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same materials and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single fact about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with the Harvard, Yale, Columbia and Chicago.

In the field of science, UCLA is one of the leading centers in the world for the study of acoustical physics and physical organic industry. It is one of four universities in the United States that train meteorologists for the Army, Navy and Air Force. Its College of Engineering carries on significant studies in aeronautics, ceramics, heat transfer, traffic and transportation and other fields. UCLA's department of astronomy offers the only rocket navigation course in the world. Its College of Agriculture draws students from all over the globe to study subtropical horticulture and floriculture. UCLA's Medical Center, completed in 1954, at a cost of $22,000,000, is expected to set the pattern for the Atomic Age.

In the humanities, UCLA has a distinguished record also. Its School of Business Administration, established in 1954, now attracts 1,500 students and is one of the finest in the country. Its Law School boasts the largest enrollment on the Pacific Coast. UCLA's Library ranks eighth in size on a national scale. The department of theater arts combining drama, television, and motion pictures, is one of the most outstanding in the United States.

DR. RAYMOND B. ALLEN
UCLA Chancellor

Dr. Raymond B. Allen came to UCLA in 1952 and was its first chief administrator to bear the title of Chancellor.

After receiving an M.D. at the the University of Minnesota in 1928, Chancellor Allen began his career as a physician and surgeon in North Dakota. In 1934 he received his Ph.D. in surgical urology from the Mayo Foundation Division of the University of Minnesota's Graduate Division. After that he held a series of medical deanship posts at Columbia University, Wayne University, and the University of Illinois.

In 1946 the University of Washington was looking for a president to direct its postwar expansion program and it sent for Dr. Allen. He served there with distinction until he was called to government service as Director of the Psychological Strategy Board in Washington, D. C., a top-secret cold war agency. He was in Washington when the University of California Regents, following a year's intensive search for the right man, asked him to assume the duties as Chancellor of UCLA.

Now in his fourth year at UCLA, Dr. Allen has shown himself to be both an outstanding leader and administrator. His accomplishments in that brief space of time have won him the warm respect and affection of students, faculty, and alumni alike.

DR. JOSEPH KAPLAN
PCC Faculty Representative

UCLA's faculty representative to the Pacific Coast Conference is Dr. Joseph Kaplan, a professor of physics who specializes in the upper atmosphere. He is currently involved in a gigantic world-wide experiment as chairman of the United States National Committee planning this nation's participation in the International Geophysical Year (1957-58). This is the undertaking which will see man launch his first space satellites.

But when it comes to athletics he is "down-to-earth", as coaches, athletic directors and his fellow faculty representatives will testify. The genial, pipe-smoking physicist is a devoted sports fan and cherishes the spot on the Bruin bench that his PCC post entitles him to during football season. He believes athletic achievement should match academic accomplishments.

Dr. Kaplan has never been an ivory tower scientist (his research laboratory is in the basement of the physics building), but his record of academic and scientific achievements are well documented. After earning his Ph.D. at Johns Hopkins University in Baltimore, he was awarded a fellowship by the National Research Council for two years of uninterrupted research at Princeton.

Early in World War II he directed the recruiting and training of meteorologists for the Air Force. Later he helped organize general operations of the Air Force's B-29 bomber program. For his service he received the War Department's decoration for exceptional civilian service. Since the war he has been a top research advisor to the Air Force in addition to his regular research and teaching activity at UCLA.

WILBUR JOHNS (UCLA '25)
Director of Athletics

This is Wilbur Johns' 10th year as UCLA's athletic director. He succeeded Bill Spaulding in 1947. UCLA's athletic program has grown and prospered under his leadership. He's highly respected in NCAA and PCC circles, currently serving as chairman of the NCAA Extra-Events Committee and PCC treasurer. He was duly recognized for his service to his Alma Mater by receiving the 1955 UCLA "Alumnus-of-the-Year Award."

Wilbur was the head Bruin basketball coach for nine seasons (1940-48), with his teams winning the 1945 and 1947 PCC Southern Division titles. He had previously served at UCLA as Caddy Works' varisty basketball aide and frosh coach since his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

He prepped at Glendale High where he starred in basketball, baseball and tennis. A broken arm in two successive football seasons made him forego the grid sport. He's married to the former Idele Robelen and they have a married daughter, Peggy, and a husky young son, Mike.
